

**The Rally Pack Motorcycle Backpack system consists of:**

- Jumbo Backpack
- Roll Bag
- Vinyl Liner
- Attachable Bungee Net

**Installation:**

**Jumbo Backpack**

Open horizontal straps.

Place Backpack on luggage rack with Rally Pack insignia facing toward the rear of the bike.

Fasten horizontal straps around sissy bar/backrest.

Use "side" pressure (see fig. 1) to disengage quick release buckles from the bag pockets.

Loop bottom straps around the directional indicator bar (see fig. 2) or similar mounting area.

Reinsert quick release buckles into bag pockets and firmly tighten. Excess strap material should be knotted or cut off.

**CAUTION - allowing straps to hang loose may cause damage to packs, painted finishes or they may become entangled in the wheel or chain.**

**Note:**

Backpack may be used by itself as a carrying bag by using either the top adjustable strap or by placing the two side straps over the shoulders and fastening into the bottom pockets.

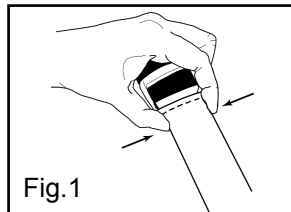

Fig.1

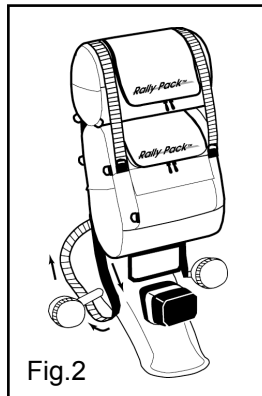

Fig.2

**Roll Bag**

**If Roll Bag is to be used separately from the Backpack**

Open horizontal straps.

Place roll bag on luggage rack with Rally Pack insignia facing toward the rear of the bike.

Fasten horizontal straps around sissy bar/backrest.

Use "side" pressure (see fig. 1) to disengage quick release buckles from the bag pockets.

Loop bottom straps around directional indicator bar or similar mounting area.

Reinsert quick release buckles into bag pockets and firmly tighten. Excess strap material should be knotted or cut off.

**CAUTION - allowing straps to hang loose may cause damage to packs, painted finishes or they may become entangled in the wheel or chain.**

**If Roll Bag is to be used with the Backpack**

Install Backpack using previous directions.

Remove top straps from Backpack pockets.

Place Roll Bag on top of Backpack.

Loop Backpack straps over Roll Bag and through carrying strap and small horizontal web straps (see fig. 3).

Insert quick release buckles into Backpack pocket and firmly tighten.

Excess strap material should be knotted or cut off.

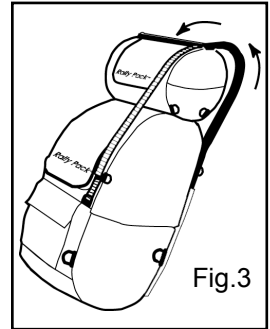

Fig.3

**CAUTION - allowing straps to hang loose may cause damage to packs, painted finishes or they may become entangled in the wheel or chain.**

**Vinyl Liner**

Provided to store wet clothes. May be used with either the Backpack or the Roll Bag.

**CAUTION - do not cut or puncture the liner.**

**Bungee Net**

May be used for additional storage of clothing or other articles which may need to be accessible during riding. Place articles on top of packs and secure with net by attaching hooks to the "D" rings provided.

**CAUTION - hooks are under tension and may become dangerous when unfastened. Use extreme care when removing.**

**Care & Cleaning**

Use mild household detergent and soft brush to remove dirt or road grime. Rinse thoroughly and dry before using. Do not put in washer or dryer, dry-cleaning is not recommended.

**WARNING**

**This system is recommended for use with a sissy bar/backrest and luggage rack combination which is permanently attached to the motorcycle.**

**Do not exceed the manufacturers recommended load capacity.**

**Consult your owner's manual for tire inflation pressures and gross axle weight rating. Failure to follow recommended weight loading capacities may affect handling. This will result in injury or property damage.**
